

**More reasons  
to pick up  
after your pet...**

**Thank you for  
helping to keep our  
waters clean!**

**Pet Waste,  
Water Quality,  
& Your Health**

- Create a clean, sanitary play area for family activities.
- Prevent messes from pet waste being tracked indoors.
- Ensure a healthier environment for us all!

Upper Tennessee  
**River Roundtable**

This project received funding from the Environmental  
Protection Agency's Section 319 Nonpoint Source Implementation  
Grant from the Virginia Department of Environmental Quality  
(DEQ), via grant numbers 15838 and 319-2011-P10-PT.

**Don't let me pollute...  
clean up my poop!**

**Did you know?**

- A single gram of dog waste contains 23 million fecal coliform bacteria.
- Pet waste can wash into streams and rivers that can kill fish.
- Your health could be at risk from bacteria and parasites found in pet waste.
